Third Party Administrator

Adding Third Party Administrator Instructions
1. Search for the Third Party Administrator by name or FEIN.
2. Confirm the FEIN and the Third Party Administrator you are adding.
3. Enter the required Start Date. End Date is optional.
4. Click 'Save'

If the Third Party Administrator you are trying to add is not found, they have not registered with My FAMLI+ Employer. After they have successfully registered, please return to your Account page and add your Third Party Administrator.

The Third Party Administrator will lose access to your employer account once the End Date is in the past.
